

Regulatory Studies Center

THE GEORGE WASHINGTON UNIVERSITY

The GW Regulatory Studies Center & TSPPPA Career Development Services present:

Noshing with Notables

Informal lunch talks with successful public policy experts
about their careers and career paths

Featuring: Dorothy Bennett Hoffman

Dorothy is the Director of US Health Policy at Eli Lilly and Company. She develops and executes public policy strategies that enable the company to achieve its business goals in the US. She joined Lilly from PhRMA, where she helped lead the organizations' engagement on global intellectual property and trade policy issues. Prior to PhRMA, she served at the International Chamber of Commerce in Paris France, where she coordinated the organization's response to Intellectual Property and Access to Medicines issues at the World Trade Organization. Dorothy received her MPP from the University of Denver.

October 15, 2015

MPA Room 601Z

12:00 – 1:30 PM

Lunch Provided*

[Noshing with Notables](#) provides an opportunity for George Washington University students to meet and engage with successful policy practitioners in an informal setting over lunch. Our "Notables" are public policy experts from the government, private sector, academia, and non-profit entities.

[The George Washington University Regulatory Studies Center](#) raises awareness of regulations' effects and improves regulatory policy through research, education, and outreach.

*Space is limited, please click here to [RSVP](#). Attendance is only open to the GW Community.
