Feature Story

[EPA seeks comment on carbon capture for CO2 emissions rule](#)

EPA is seeking public comment on interpretations of the Energy Policy Act of 2005 that would affect its proposed rule to limit CO2 emissions from new power plants. EPA relies on carbon capture and sequestration for the proposed CO2 reductions, which may be inconsistent with some interpretations of the Energy Policy Act.

Rulemaking

[DOT seeks comment on whether to ban phone calls on-flight](#)

DOT published a proposed rule that seeks comment from the public on whether to ban phone calls on flights within, to, or from the United States. DOT is seeking comment on whether such calls constitute an unfair practice to other consumers or are inconsistent with adequate air transportation, and whether DOT should ban or restrict such calls.

[Fed proposes to repeal Regulation DD \(Truth in Savings\)](#)

The Federal Reserve Board published a proposed rule that would rescind Regulation DD, which implements the Truth in Saving Act. Pursuant to the Dodd-Frank Act, these provisions have been transferred from the Fed's authority to the CFPB.

Agencies

[NLRB holds meeting on representation case procedures rule](#)

NLRB announced a public meeting on its recently re-proposed rule, [Representation Case Procedures](#), to allow the public a chance to participate in the rulemaking process through oral presentations on the proposal. The meeting will be held on April 10 and 11.

[EPA releases draft greenhouse gas emissions report](#)

EPA announced the release of a report, Draft Inventory of U.S. Greenhouse Gas Emissions and Sinks: 1990-2012, on which it is seeking public comment.

[DHS seeks input on retrospective review of significant rules](#)

DHS is seeking public comment on specific significant DHS rules that the Department should consider as candidates for modification, streamlining, expansion, or repeal, pursuant to Executive Order 13563, "Improving Regulation and Regulatory Review."

[NRC releases final plan for retrospective review of regulations](#)

NRC published a notice announcing the release of its final plan for the retrospective analysis of its existing rules, pursuant to Executive Order 13579, "Regulation and Independent Regulatory Agencies."
